To the Editor of The Eagle: I see they have been after poor Ex-Ald. Francis again for passing bogus checks. It is a wonder they don't get after one of the river ward aldermen who was elected last spring to succeed an honest man. I have before me a bogus check given by this fellow, drawn on a West Side bank for \$45 and returned stamped "No Funds." I have also a letter written by this present city father after his attention was called to the said check saying that he was hard up and would take the check up when he had money. This was some time ago. He is now getting \$3,000 a year, but the bogus check is still in my hands. He is a fine duck to be an alderman. I am going to have the check photo-WEST MADISON STREET.

LEADING OFF FIRST BASE

"There is one outsider on the Browns who should be one of the best baserunners in the American league." says Branch Rickey, the manager of the American tail-enders. "That he isn't is entirely due to himself. I have watched him all season and I have yet to see him slide back to first when a
